

JOB OPPORTUNITY

Cambodia Airports develops and manages Cambodia's network of international airports located in Phnom Penh, Siem Reap, and Sihanoukville. Its teams plan and design the development of airport infrastructure, build and maintain the facilities, handle commercial activities and provides services to stakeholders, including The Royal Government of Cambodia, passengers, airlines, and tenants.

Since its inception in 1995, Cambodia Airports has generated immense economic and social benefits for Cambodia by connecting the country to the world. Its leadership in airport development and operations translates in advanced working environment, staff benefit, and Corporate Social Responsibility policies.

Currently, we are seeking potential candidates to fill the positions of **Waste Control Supervisor** at one of the 3 international airports.

Position: **Waste Control Supervisor (01 position)**

Department: **Landside**

Location: **Phnom Penh International Airport**

General Responsibilities:

- To supervise the cleaning service team regarding the entire daily waste management according to the daily operation activities to ensure that all wastes are well managed according to different types of wastes;
- To coordinate with all stakeholders (CINTRI, Subcontractors, Landside team, Terminal team and Safety team etc.) involved in daily waste management regarding collecting, packing, transporting, etc.
- To control all materials, equipment, stationary, staff uniforms which are necessary for operations of waste management;
- To initiate the daily operating procedures and make proposals to improve the operating activities of the waste management;
- To prepare all necessary reporting (daily and monthly) to the superior including analysis of waste at landside and airside in order to generate waste data.

Job's Requirements:

- ✓ Bachelor's degree in Management, Environment or another related field;
- ✓ At least two-year-experiences in the relevant filed;
- ✓ Proficiency in both speaking and writing in Khmer and English, knowledge of Chinese language is an advantage;
- ✓ Good knowledge in computer skills;
- ✓ Strong interpersonal skills, problem solving and team spirit;
- ✓ Be able to work under pressure with less supervision;
- ✓ Flexible, punctual and be able to adapt new change and challenge;
- ✓ Physically and mentally fit.
